Below are a few mobile phone apps that you might find helpful:

Prayer Mate enables you to organise your prayer life.

Every day, Prayer Mate will select a person or topic that you've entered from each of your main categories (perhaps "My family" or "My small group at church") and show them to you as a series of index cards - then just swipe between them to pray.

Inner Room is an app that comes from the 24-7 prayer movement.

It aims to help you pray.

Lectio 365 is a daily devotional resource that helps you pray the bible every day.

Daily Prayer provides complete services for Morning, Evening and Night Prayer from the Church of England.

Sacred Space leads you through a daily prayer and Bible reading

Bible in a year. Each day you will receive a Psalm or Proverbs reading, and New Testament reading, and an Old Testament reading. Updated daily, Nicky Gumbel then provides insightful commentary on each Bible passage, intended to be read or listened to alongside the Bible to provide fresh understanding of the texts.

Encounter prayer is all about encountering more of God - Father, Son and Holy Spirit. It isn't just reading or learning more about him but is about having an on-going relationship with him in our everyday lives.
