

# Twinkles Doing Church Differently

## Week 5 - God loves it when I sing to Him

The aim of the session is to learn that one way we can worship God is by singing to Him. God is worthy of praise and we can sing to Him to express how great He is!

### Message/Story time:

Most of this session will be spent worshipping God through songs and instruments and dancing using the craft, game and song suggestions below. A brief message/story to begin:

When we go to church we spend some time singing together. What do we sing about?

We sing about God and we sing about how good He is. But we don't just sing about God, we sing **to** Him! God loves to hear us sing to Him.

Some of us are very good at dancing or making music with instruments and God loves it when we do this for Him.

In the Bible, there was king called David. David wrote lots of songs about God and he was very good at playing musical instruments. David played his instruments and danced for God with all his might. David didn't worry if other people were watching him dance or listening to him sing. Can we be like David?

### Craft time:

Musical instruments. Here are some suggestions of things you might be able to make with things you have in the house:

- Rice shakers – fill a plastic container with rice and seal to make a shaker
- Guitars – stretch elastic bands over an empty box or even a baking tin
- Drums – cut a balloon and stretch it over a tin and secure with tape to make a drum
- Pan-pipes – cut straws of different lengths and tape together

We would love to see your pictures if you come up with any other ideas! Send to [laura@stmatthews.org.uk](mailto:laura@stmatthews.org.uk).

## **Worship time:**

Try out your musical instruments and sing and dance along with some of these songs or any of your own favourite worship songs. To encourage dancing and listening to the music, why not play some games like musical bumps or musical statues? Have fun worshipping God through music!

## **Prayer time:**

Following last week's session of God loves it when I talk to Him, we will be looking at different activities each week that we can try to help us talk to God.

Teaspoon (tsp) prayers. Stick or write the letters T, S and P on some teaspoons and place them in a cup. Take it in turns to pick a teaspoon out of the cup and say a prayer based on the letter you pick!

T- Thank you

S – Sorry

P – Please
