

Twinkles Doing Church Differently

Week 10 - God loves it when I spend time with Him

The aim of this session is to recap what we have been learning about over the last few weeks – God loves us and wants a relationship with us. We can spend time with Him in lots of different ways.

During this session we will read the Bible, pray and worship through music, putting into practice some of the things we have learned about over the last few weeks.

Story time/Bible time:

Watch the story of the lost sheep together. This has a similar message to the story of the prodigal son which we watched last week. God loves us and will always be there for us even if sometimes we get a bit lost.

Alternatively, if you've got a children's bible at home, feel free to pick your favourite story and read it together. God loves it when we read about Him!

Prayer time:

Over the last few weeks, we have tried lots of different ways of praying. Choose one that you have enjoyed doing together as a family or try your own way. God loves it when we talk to Him!

- Draw pictures of things you want to say thank you for
- Teaspoon (TSP) – Thank you, Sorry, Please Prayers
- Five Finger Prayer
- Action Prayer
- I Spy Prayers
- Paper Chain Prayers
- Prayer Chooser

Worship time:

Put on your favourite worship song and sing, dance or play some musical games to worship God. God loves it when we sing to Him!

Craft time:

Creator craft.

Remember that in week 1 and 2 we learned that God loves us and God made us. Be creative like God and use playdough or modelling clay to make models of you and your family/friends to help you remember that God made you special!
