

# Twinkles Doing Church Differently

## Week 15 - God knows when I am busy

This week we will learn that God is with us in everything we do .

### Message/Story time:

Watch the story of creation together: <https://www.youtube.com/watch?v=teu7BCZTgDs&t=4s>

God was very busy! He made the night and day and sky and sun and moon and stars and trees and birds and fish and animals and people! After He made all of this God had a rest and enjoyed all of the things he had made.

When God made people, he made them to be just like Him. He told them to be busy and to look after the world, the animals and other people. God made us with different gifts, which means he made us to be good at doing different things. What gifts do you have?

God loves when we are busy doing the things he made us to be good at and enjoying the world He made.

God also made us to rest, just like He did. He loves when we take time to have a rest.

God is with us in everything we do, either working or playing or resting.

### Prayer time: Busy action prayer.

You know when I stand. *(Stand up)*
